Dear Brothers and Sisters, through the personal encounter with our Redeemer and through fasting, almsgiving and prayer, the journey of conversion towards Easter leads us to rediscover our Baptism. This Lent, let us renew our acceptance of the Grace that God bestowed upon us at that moment, so that it may illuminate and guide all of our actions. What the Sacrament signifies and realizes, we are called to experience every day by following Christ in an ever more generous and authentic manner. In this our itinerary, let us entrust ourselves to the Virgin Mary, who generated the Word of God in faith and in the flesh, so that we may immerse ourselves – just as she did – in the death and resurrection of her Son Jesus, and possess eternal life.
