## Baseball News CYO

We are almost halfway through St. Teresa's 2008 Baseball/Softball Season. As mentioned in the previous newsletter, our expanded CYO Baseball/Softball program has exceeded our expectations. Close to all of our teams are competing for their respective division championships and we're looking forward to another successful run in the playoffs.

The Clinic/Farm Divisions, with nearly 150 boys/girls competing, has been a huge success. A great time is had by all each week.

Once again, I would like to recognize Mark Fiorello of Fiorello Landscaping on how well our field is maintained. Each week we receive positive comments from all the other programs on how much they enjoy coming and playing at the Edwards Field complex. It is truly a place all members of St. Teresa's Parish and School can be proud of, not just the Baseball/Softball Program. Thank you Mark!

Thank you once again to everyone -- coaches, parents and *especially* the children, who've made this another enjoyable season.

Good luck to everyone in the playoffs. Remember win or lose it is most important to **HAVE FUN!**

***Go Falcons!!!!***
